

### **Remarks**

In order to further prosecution, Applicant has canceled claims 1-82 and added new claims 83-98. These amendments should not be taken as a disclaimer of any subject matter; Applicant explicitly reserves the right to pursue subject matter that was pending prior to this amendment in future applications. Applicant submits that the cancellation of claims 1-82 renders all the outstanding rejections moot.

Applicant submits that no new matter is added by these amendments.

In light of the foregoing Amendment and Remarks, Applicant respectfully submits that the present application is in condition for allowance; a Notice to that effect is respectfully requested.
